Yazaki Corporation

Awarded Clarivate Top 100 Global Innovator 2025

Selected as one of the 100 most innovative companies in the world for five consecutive years and the seventh time in total

Yazaki Corporation (Head Office: Minato-ku, Tokyo; President: Riku Yazaki) has been awarded the Clarivate Top 100 Global Innovator 2025 by Clarivate (Head Office: London, UK, Japan Office: Minato-ku, Tokyo).

About Clarivate's "Top 100 Global Innovators" Award

This award is based on patent data from Clarivate, a global information services company, which analyzes intellectual property and patent trends and evaluates innovations based on four factors: impact (the number of applications that influence subsequent applications by other companies), success rate (the number of registrations per country), geographic investment (the number of international applications), and rarity (the diversity of technologies). The top 100 most innovative companies and institutions in the world are selected based on their innovations. Presented annually since 2012, this year will be the 14th presentation.

Please refer to Clarivate's press release for more information.

Reason for Selection

Yazaki Corporation was selected based on a balanced evaluation of all four factors: impact, success rate, geographic investment, and rarity.

Comments from Hiroyuki Ashiya, Executive Officer and General Manager of the R&D Division

I believe that the recognition of our strategic approach to intellectual property activities has led to the honor of receiving of this award for the fifth consecutive year and the seventh time in total. In recent years, there has been rapid technological innovation in all industries, including the automobile industry, and new technologies are required on a daily basis. We will promote intellectual property activities utilizing our global network in order to accelerate innovation and create new value in new fields by taking advantage of our diverse technologies in the automotive equipment business and the living environment equipment business.
