Announcement about the Relocation of Yazaki Corporation's Head Office

Yazaki Corporation (Present Head Office: Mita, Minato-ku, Tokyo, President: Riku Yazaki) is pleased to announce that it will relocate its Head Office to the 7th floor of W Building, Kōnan 1-Chōme, Minato-ku, Tokyo and commence operation there on Monday, April 3, 2023.

Conveniently located near Shinagawa Station, our new Head Office is accessible by the Shinkansen bullet train or from Haneda Airport. In addition, Shinagawa will be the terminal station of the Linear Chūo Shinkansen Line (maglev train), which is scheduled to start service in 2029 or later. For this reason, the relocation of our Head Office is expected to allow us to quickly adapt to the fast-changing business needs and environment.

Furthermore, the Tokyo Branch Office of Yazaki Energy System Corporation (Head Office: Mita, Minatoku, Tokyo, President: Ko Yazaki), one of the companies under the Yazaki Group, is located on the 6th floor of the W Building. Yazaki Corporation looks forward to creating business synergy through collaboration with Yazaki Energy System Corporation.
