

Flat Antenna

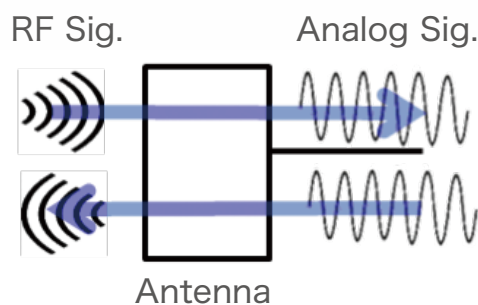

Function

- Support increasing external communication due to spreading connected cars. Great vehicle assembly

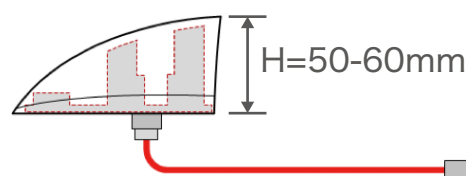

Feature

- Achieved to make a lower antenna than conventional shark fin type.
- Integrate 5 functions of antennas for external communication included 5G into a package

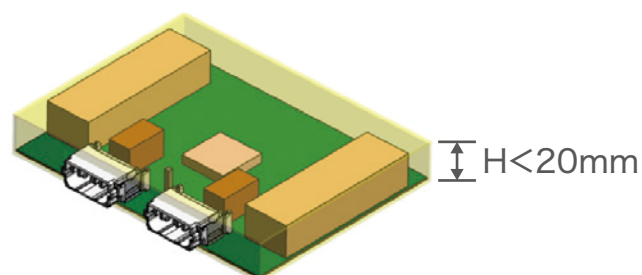

Performance/Specification

Shark fin type antenna

Flat Antenna

Application	Frequency
TEL(4G/LTE)	815-875 MHz
	1920-2170 MHz
5G	3.6-4.0 GHz
V2X	5.9 GHz
GPS	1.575 GHz
WiFi×2	2.4 GHz, 5 GHz
